

Dear Presidential Candidates,

Let me first express my support and gratitude to each of you for pursuing the nomination of the Republican Party. In doing so, you have positioned yourself to help advocate for the principles of our Party, our Constitution, and of America's founding.

I encourage you to continue to do all you can to fight for the future of our country—a future we all know is more secure with the conservative liberty minded beliefs we as Republicans share. We are a Party focused on unlimited potential of people and a limited role of government; the inverse will never be true!

As you and your teams have heard from me, the Utah Republican Party is committed to a fair process and election. You are invited and encouraged to engage with Utahns and visit our state in the lead up to our Caucus and thereafter. I assure you that as you do so, you will find support, ideas, and enthusiasm which will reward your efforts. The relationships you can make here in Utah will be of lasting benefit to all of our shared vision of Republican success.

Please let me know if I may be of help to you or your teams in the lead up to the Utah Caucus on March 5th and State Convention on April 27th.

Thank you again for all you are doing to advance our values and to ensure that next year's election replaces the current disastrous administration.

Your friend,

Robert Axson
Chairman, Utah Republican Party
